

LEGAL NOTICE

Statements of Qualifications for Design Professional Services will be received by the Board of Commissioners of Miami County, Ohio, as provided in this notice. Professional design and construction administration services are requested for a Flood and Drainage Facilities Community Development Block Grant (CDBG) storm sewer project in the Village of Potsdam. The services to be provided will extend through the construction and post-construction phases and include assistance in bidding and evaluation of bids, coordination and review of contractor's work, and close-out of the Project. The scope of the Project includes, but is not limited to installation of approximately 3,655 lineal feet of storm sewer pipe, 4 catch basins, 1 storm sewer manhole and one headwall at the outlet of the storm sewer pipe. Approximately \$10,000 in permanent right-of-way/easement acquisitions will also be needed as part of this phase of the project.

Copies of the Request for Qualifications for Design Professional Services, which includes additional details of the services to be performed and required qualifications, are on file and available from Dan Suerdieck, at the following address:

Dan Suerdieck, Planning and Zoning Manager
