RENTAL PROPERTY OWNERS Indemnification Agreement

(fax back to 937-335-4208 or email to cs@miamicountysed.com)

All owners of rental property, serviced by the Miami County Engineering Department, shall sign an Indemnification Agreement listing each rental unit owned. The Miami County Sanitary Engineering Department will invoice each separately metered rental unit on a monthly basis. Upon notification of vacancy by a tenant, the bill will automatically revert to the owners name until notified otherwise by a new tenant. A minimum monthly bill will be issued regardless of occupancy.

If any of these service addresses fail to pay their bill prior to the due date, a "Past Due/Shut off Notice" will be sent to the service address and a duplicate will be sent to the property owner (the bill will say "PAST DUE NOTICE" at the top right hand corner on the tenant's copy and "PAST DUE NOTICE OWNER COPY" on the owner's copy). Failure to pay the past due amount prior to the shut off date, will result in the service address being disconnected from service and charged the nonpayment fee. Reinstatement of service will be established upon payment in full of all past due charges and any nonpayment fees. Owners who wish to have the monthly service invoice sent directly to them should specify so below.
