TO: Miami County Residents

SUBJ: Veteran Grave Care Program

To honor and respect those who served and are now no longer with us, we have established a Veteran Grave Care Program. We want to fill the gap where the Municipalities, Townships and Private Cemeteries are not responsible. We want no fallen protector of America's democracy to lay rest in a place that looks uncared or unappreciative of their sacrifice.

We ask for your help in identifying veterans' graves that need some attention. We have two ways you can notify us. You may complete the form on our website and submit it to the following address or email to [mcvets@mcvets.org](mailto:mcvets@mcvets.org):

Miami County Veterans Services  
510 W. Water St Box 140,  
Troy OH 45373

The other way is you can take a picture and submit it via our Facebook page with the veteran's name and grave location.

When we receive the submission, we will notify the responsible party of the grave location and refer it to them, and follow up. If there is no one responsible, we will add it to our list for our community annual day of care, which we will schedule after Veterans Day and before Wreaths Across America Day. We invite you to be a team member, the more volunteers the more can be done.

Thank you for caring for those who served. If you need more information about the program or would like to volunteer, please contact the office at 937-440-8126 or email [mcvets@mcvets.org](mailto:mcvets@mcvets.org).

Honor to Serve,

Selena Loyd, USAF Ret.
